

The following are the objectives for achieving Bronze Level Xcessible Award.

1. Openness

- To commit to the Sports Inclusion Disability Charter and establish agreement and in-principle commitment at board level to work towards an inclusive philosophy of development for the organisation and the sport
- Embed the Principles of Inclusive delivery through all existing and future documentation
- Include and involve people with disabilities in working groups and committees relating to inclusion and or sport and physical activity provision
- Commitment to achieving Xcessible Silver Award once Xcessible Bronze is achieved

2. People

- Assess the training requirements of all staff within the organisation relating to inclusion and or sport and physical activity provision for people with disabilities.
- Confirm where existing staff already have a responsibility for inclusion and or sport and physical activity provision for people with a disability.
- To implement disability awareness training for all board members and staff.

3. Activities

- Write a statement of Inclusion and communicate it appropriately to your members
- Make a commitment to disseminate to clubs, volunteers, coaches etc the NGB's/LSP position to their commitment to inclusion and their journey through Xcessible
- NGB's and LSP's to identify existing pathways within the sport for people with disabilities
- The NGB / LSP collates, reviews and interprets data relating to inclusion and or sport & physical activity for people with disabilities.
- The NGB / LSP uses data to inform future planning and programming.
- All NGB and LSP staff be aware of their own programmes and sessions offering inclusive and or sport and physical activities for people with a disability.
- All NGB / LSP development staff be aware of sports clubs and community based sessions offering inclusive and or sport and physical activity opportunities for people with disabilities.

4. Facilities

- NGB's and LSP's make a commitment to conduct a review of the facilities/sites that they use operationally and for their activities
- NGB's and LSP's to develop supportive criteria that will provide advice and guidance around their accessible practice and use of facilities for activities and events.

5. Promotion

- Ensure the promotion of positive inclusive images of people with disabilities participating in sport, coaching opportunities and in volunteering roles
- Ensure that positive imagery of people with disabilities participating in sport and physical activity is available to all development, marketing and communications staff.
- Ensure that the NGB /LSP website and social media platforms are available in accessible formats
- Ensure that all marketing and communication materials are developed in accessible formats and are reflective of inclusive sport and physical activity for people with disabilities.
